## Safeguarding and child protection

LILA\* College is committed to safeguarding and promoting the welfare of students and young people and expects all stakeholders to share this commitment. We have a number of policies and procedures in place that contribute to our safeguarding commitment, including our Safeguarding and Child Protection Policy.

Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a student's welfare. We will ensure that our concerns about our students are discussed with his/her parents/carers first unless we have reason to believe that such a move would be contrary to the student's welfare.

We actively support the measures to counter radicalism and extremism.
